## BENEFITS

- **Purpose** 10% of the investment and winnings will be directed into the Punt with Purpose community wellbeing program. We will use funds for workshops and partnerships dedicated to Men's Mental Health.
- **Experience** 30% of the investment will be banked with funds to be used for members experiences and events.
- **Competitions and Giveaways** 10% will be allocated to the running of competitions and members weekly spin the wheel.
- **Enjoyment** This is the perfect way to enjoy your passion with a community that you belong to. Share the ride, the wins and losses for a small monthly investment of \$200.00.
- **Sponsors / Partners** We look forward to being able to add value via sponsors. Our betting partner will be Aussie owned brand Palmerbet.
- **Information / Content** We will drive tips, stories and content via our racing network.

## BETTING STRATEGY

- 50% of investment will be allocated for Punting.
- We will be setting up teams with team Captains.
- We aim to have a minimum of 10 teams. This will result in \$50,000.00 into the punting pool for the 40 weeks.
- Each team will be provided with \$5000.00 to bet with over the 40 weeks.
- We will bank half of any winnings and bet the balance. A team bets with \$1500.00 and wins \$1500.00 will bank \$750.00 and then the team will have \$2250.00 to bet with the following week.
- Teams will have full autonomy to bet on racing or sport and will be able to spread betting as preferred.

## SPIRIT

The Good Blokes Society provides this opportunity in the spirit of connecting members who share the passion for racing, sports and punting.
